STAT

NOTE FOR: DCI

SUBJECT: DCI Visit to San Diego

John:

Since there have been a number of letters, phone calls, etc., concerning various events in San Diego, I called both Dick Capen and Gerry Warren to coordinate. As a result of those discussions we have come up with the following proposed schedule for 8 August:

0900 DCI arrives San Diego from Monterey

1000 DCI meets with Copley Editorial Board at (1 1/2 hrs)
Copley Headquarters

1200 Civic luncheon and address

1400 News conference with San Diego media

Gerry Warren and I decided the breakfast meeting he proposed with San Diego civic leaders would be overkill and we would table that suggestion until some subsequent visit.

It is also my understanding that the dinner proposed by Dick Capen on either 7 or 8 August has been regretted.
